AUTO-DEPOSIT BENEFITS

IT'S CONVENIENT

No need to travel all the way to your nearest bank branch or ATM - you can get whatever portion of your pay you need as cash at the PayCode Kiosk/ATM located conveniently at your employer's branch, and leave whatever remaining amount you choose to be automatically deposited to your bank account at the end of each week.

IT'S SECURE

There's no cheque to be lost or stolen. The problems and delays in requesting a replacement are avoided.

IT'S CONFIDENTIAL

Your funds are deposited directly into your personal deposit account, and your payments are always kept confidential.

HERE'S HOW IT WORKS

If you don't already have a PayCode account, then it's easy to sign up - just ask your employer for a PayCode Customer Account Application form. Once you are set up with your own PayCode account, you can authorize the deposit of the week-ending balance of your account directly into your personal account with any financial institution in Canada.

Simply complete the attached Authorization Form, attach a cheque marked "VOID" to ensure that your account numbers are correct and return the form to the payroll department of your authorized PayCode employer.

That's all there is to it!
